Experience Christmas

All the bookings for this event have been finalised and help is needed on **Monday, Tuesday, Thursday and Friday**. If you can spare any time, on these days, between 9am and 3pm then please speak to Sue Muessig as soon as possible.

Service of Light

Jacky is planning a short service, to remember lost loved ones, on Sunday 27th November at 4pm. Last year's service was very much appreciated by those who attended whether the loss was recent, or not. **Do you know someone who would like to attend? All are welcome.**

Rev Don Cross

The funeral for the Rev Don Cross will take place at 13.30 on Monday 28th November at the Markeaton Crematorium, followed by a service of thanksgiving at St John's Methodist Church, Allestree at 14.30.

Warm Space Initiative

This event continues to prove popular, attracting a variety of people of all ages and situations. There are still some empty slots on the rota, for next month, so please consider whether you might be able to help with this new venture.

Flowers

The flowers in church this weekend have been provided by a member of the congregation.

Gift Weekend

Our Gift Weekend has finally arrived so please come along and support as many of the events as you possibly can. Please remember all the events are open to everyone so bring along lots of family, friends and neighbours too.

Christmas Market

Our Christmas Market will be held, at church, on **Saturday 19th November 10.30am - 1.00pm**. It is hoped this will be the exciting, fun-filled time of fellowship that it used to be before Covid. Please come along to join in the games, seek out a bargain and sample a hot, roast meat cob!! Bring your neighbours, friends and family so we can make it a very special event for all.

Soul Cafe

There will be a Soul Cafe as part of our Gift Weekend special events. The title of this production is '*Broken Instruments*'. ***It has been written by William Varnam with music and lyrics by Phil Baggaley and Mark Edwards.***

"Broken Instruments is a story of survival, made possible through the power of music.

Featuring live music, storytelling, and original songs, we hear the recollections of musician, luthier, and Holocaust survivor Ari Vander. Join him as he turns back the pages of his life and offers a message of hope for a better future for us all.

Broken Instruments is a story inspired by the book "Violins of Hope" by J A Grymes and although told through the writings of an imagined character, the events to which he relates, actually happened."

This event is open to anyone so please consider if there is someone you could invite along. We expect it to be a very special evening.

And Finally

Let God have your life. He can do more with it than you can.
