Reopening of Newmount

We look forward to welcoming you back for the service this week, if you feel able to join us. The procedure will be the same as it was when we reopened last September. Please see below for the key points:

1. The front doors will open at 10.20am, please don't arrive too early. Social distancing and a one way system will be in operation. Face coverings must be worn, unless you are exempt.
2. You will be asked to log your details for Test and Trace and be shown to your seat.
3. The doors and windows will remain open for ventilation, so please dress accordingly.
4. Please depart promptly after the service.
5. Please note: Sharing lifts in private cars is currently not advised with anyone other than your 'support bubble' or members of your household.

Many thanks to all involved in the preparations, cleaning, risk assessment reviews etc needed to reopen the church

Can you help?

Please would you consider whether or not you could help the church, by filling the vacancy for stewards and/or Safeguarding Officer? If you would like any details about these posts please speak either to Greg or to one of the existing stewards. Thank you.

Change of date

Due to the current restrictions it has been decided to postpone the Church AGM. The meeting will now be held on **Sunday 4th July**. In doing this it is hoped that the meeting will be able to follow the service and be a more sociable event. More details to follow nearer the time.

Outreach

To continue with our outreach from the church building, it has been decided to leave the cross in place as we did last year. However, this time it is intended that rather than bringing prayers to the cross people will be invited to "Take What You Need" from there. There will be 4 pockets attached to the cross labelled HOPE, PEACE, STRENGTH and JOY and inside will be Bible verses and Christian quotes relating to these topics. We hope that people will take a card from whichever pocket they feel they need most and that it will bring them comfort as they take it away with them. Please pray that this will be as well used as bringing prayers to the cross was last year. Thank you very much to Peter and Andy for setting this up for us.

Interact

This week we are thinking about when the disciples had breakfast on the beach with Jesus. You can see a video and a fishy craft idea if you press the red King's Kids Activity box on the Newmount webpage.

And Finally

"Relying on God has to start all over everyday, as if nothing has yet been done." C.S Lewis
