

Welcome to Newmount. Please feel free to sit anywhere in the main worship area. Words to hymns appear on the screen on the wall at the front. Toilets are situated through the first door on the left at the front of the church. There are activities for children in another part of the building in the morning. All are invited to stay and share fellowship after morning worship when tea and coffee are served in the porch.

80th Anniversary Celebrations

After months of planning our 80th Anniversary celebrations finally get underway **on Saturday** when the exhibition of Stories from the Knitted Bible opens at 10:30am. For all the details of this and the other activities, please see the separate cards and flyers. Please come and visit during the week and invite friends and neighbours to do the same.

Thanks to everyone who has already volunteered to help in any way. **There are still opportunities to help** during the week, please speak to any of Stewards to find out where help is needed. Our anniversary celebrations continue until Sunday 15 September when the service at 10.30am is led by our Minister, Rev Greg Obong-Oshotse. It will include the dedication of a new Harvest pulpit fall in memory of Mary Loydall. They conclude at 6.30pm with Anniversary **Sing Sankey!** led by Peter Blount and Paul Wood. If you would like to choose a Sankey hymn, please let Peter know **by next Sunday**.

Revival Service

Starting with the book of Jude on **Friday 20 September** at 7.00pm, all are invited to share in a time of expository teaching led by Rev Greg Obong-Oshotse.

Group restarts

Following the summer break, Bible Study, Women's Fellowship, Sunbeams and King's Kids will all restart during the week commencing 9 September.

Experience Harvest

Following the success of Experience Christmas, plans are underway for a similar event on the theme of harvest during the week 30 September - 4 October. Several local schools have already confirmed that they will be coming. Please remember the planning team in your prayers. Also pray that schools who have yet to decide will make a positive decision to participate.
