

Welcome to Newmount. Please feel free to sit anywhere in the main worship area. Words to hymns appear on the screen on the wall at the front. Toilets are situated through the first door on the left at the front of the church. There are activities for children in another part of the building in the morning. All are invited to stay and share fellowship after morning worship when tea and coffee are served in the porch.

Willersley Weekend - A reminder

The Church Family Weekend at Willersley Castle is now only a few months away **18-20 January 2019**. Peter Blount and Andy Cokayne are leading the weekend and it promises to be a great time of worship, teaching and fellowship. **There are still some places available**. Booking forms are in the porch and should be returned to Barbara Daniels as soon as possible.

Christmas Angels - Target Reached!!

Very many thanks to all who have contributed one angel or several. They have all been made with love and each one is unique. We have reached the target in such a short space of time thanks to your efforts. If you have completed angels to contribute, they will still be gratefully received until the end of the month. If you have been inspired to start (or restart) knitting, there are many charities who require knitted items and Knit and Natter will continue on Wednesday lunchtimes.
